Hi Tina --

Sadie checked with Shaun and he committed to coming to the DW sidebar discussion next Tues morning to talk about what our states are doing regarding drought. He plans to mostly focus on the MT demonstration project. Do you want to join for the call? We're still pinning down an exact time based on Shaun's schedule, but it would be between 8-10am next Tues, Dec 9. (see draft agenda attached).

Thanks!

Hi Sadie --

Was there a specific time that Shaun is available for the drought discussion next Tues? Here's the draft agenda for the DW sidebar -- I wanted to adjust it for the drought piece and also ask Tina Laidlaw to attend based on Shaun's availability.

Thanks!
